The Most Powerful **Driving Force**

—in business is individual initiative

THERE is no substitute for the ambition and determination of men to achieve success for themselves and their families. From these personal qualities spring the steadfast purposes which have for generations kept the United States far out in front in the march of progress. They have created in America the greatest industrial and commercial systems in history.

Individual initiative has been the creative force in all successful enterprises that compose these systems, whether modest local concerns or large-scale corporations.

It is the primary function of banking to lend financial cooperation to sound, progressive busi-ness men. It is the obligation and pleasure of this bank to supply this cooperation in the business life of this Community.
