

BALDWIN HIGH SCHOOL NOTES

The G. A. A. opened their fall program on September 23, with a treasure hunt and stock road which was competently planned by Betty Sheridan, after a hike to Sleepy Hollow near Franklin village.

The G. A. A. officers were introduced and a tentative program outlined, as follows: senior high: Monday afternoon, outdoor sports; Tuesday, archery; Wednesday, riding at Devonshire House riding stables from 4 to 6; Thursday, junior high sports from 4 to 5, with assisting in coaching; Friday, golf at Oakland Hills country club after school. The beginning of the season will be at the school at 8:30 Saturday morning.

The junior high G. A. A. opened their fall program Thursday September 19, with Crack Meet in the gymnasium. After the Crack Meet which is a take-off on a college track meet, large quantities of ice cream and cake were served, and the officers were introduced.

The junior high girls will follow a somewhat similar plan as the senior high girls.

Participation in any activity is open to all senior and junior high girls.

The senior high officers are as follows: president, Margaret McKee; vice-president, Helen Armstrong; recording secretary, Barbara Pratt; corresponding secretary, Mildred Dale; publicity chairman, Peggy Ruby; social chairman, Betty Sheridan; treasurer, Ellen Anderson; riding manager, Pat Pattison; archery manager, Margaret Loyd.

The junior high officers are: president, Pat Williams; recording secretary, Bill Wallace; publicity chairman, Dorothy Prussing; treasurer, Cameron Biggers.

CRAB BROOKS DEFEATED 13-6

Walled Lake Wins Opener Saturday On Last Minute Pass

In the opening game of the season the Crabbrook football team was defeated by Walled Lake, 13 to 6, on a forward pass with but a few seconds remaining to play.

The game, played at Crabbrook last Saturday, was a very evenly contested affair with Powers, quarterback, supplying the winning spark.

Walled Lake kicked-off to Crabbrook, who, after gaining twenty yards on two plays, fumbled. The ball sea-sawed back and forth for the rest of the half with Crabbrook holding a slight edge due to Captain Willard Parker's punting and Boyd's consistent ground gaining. Twice the Crab team threatened to score and were repulsed.

At the beginning of the second half Walled Lake again kicked to Crabbrook, and after an exchange of punts, Hineshaw, Crabbrook full-back, returned a punt forty yards to put the ball on the eighteen yard line. Parker advanced it fifteen yards, and then Boyd sneaked through center for the touchdown. Burke, trying for the extra point was stopped, and Crabbrook led 6 to 0.

At the start of the third period Powers replaced Bowers at quarterback, and after having broken loose twice, he threw a 25 yard pass to Boyd. However, the pass for extra point was missed, and the game seemed doomed to the until Hineshaw fumbled a punt on the Crabbrook 24 yard line. Three minutes to play played back marked the Crabbrook line. On a series of line plays the ball was brought to the 1-foot line with fourth down still to go.

Here Geigler passed to Harris for the winning touchdown, and Powers tipped through center for the extra point. The game ended as Walled Lake kicked-off.

Second Assembly

Barnum junior high school held its second assembly of the term last Wednesday under the auspices of the Crusaders' home-room.

The Crusaders presented the Reverend Hopkins of the Methodist church, who spoke on the subject "The Crusaders." The scripture was read by Ruth Navin, a member of the Crusaders' home room.

Barnum Defeats Adams

Barnum defeated Adams in a hard fought foot-ball game on the night of September 25 at Barnum Field.

Line-ups for the two teams were as follows:

ONE LOOK AT THESE PHENOMENAL FOUR AND YOU'LL SAY

"BUICK'S THE BUY!"

TWO years ago Buick deliberately leveled its sights on 1936.

It coolly set its aim on bringing to market for that year a line of motor cars that would startle the world.

It purposed to do that, not by freak or superficial design, not by skipping quality to make a price, but by sheer merit as expressed in automobile beauty, value, ability.

It submits to you now the eminently satisfying results of that fruitful two years of concentrated endeavor.

Here are four separate series of sensational new Buick cars — cars called phenomenal by experts in the trade who previewed them.

Each is a feast to the eye schooled in mature modern styling, as you can see.

Each has under the smooth flowing planes and surfaces of its smart exterior, the solid, tough, durable, beautifully engineered chassis that underwrites Buick dependability.

And each offers you from the stepped-up power of its big thrifty valve-in-head eight-cylinder engine such safe, thrilling performance as you have never known.

These cars are big cars every one — built to almost lavish dimensions of body room and head clearance — yet they handle with the fingertip lightness of small cars.

They are literally breath-taking in power and speed and take-off, yet under their new tiptoe hydraulics and easy-steering knee-action they are almost as manageable as a telephone.

They are the hewed and shined by that quality which springs from Buick's third of a century of manufacturing experience, advantaged by \$14,500,000 worth of new tools, dies and factory re-equipment devised for these cars alone.

These things are so true and so obvious that everywhere you will soon hear the motor-wise saying, "BUICK'S THE BUY!"

We have on hand at all times for CHESTERFIELD cigarettes upwards of 350,000 bales of Turkish tobacco...

The leaves of Turkish tobacco are strung one by one like beads (see how it is done in the picture). After the leaves are strung they are packed in bales (see picture) — sometimes as many as 80,000 leaves to the bale.

The pleasing aroma and flavor of Turkish tobacco is almost necessary if you want a good cigarette.

Turkish tobacco is more costly when you take into account that you have to pay 35c a pound duty, but we have to have it to blend with our mild ripe home-grown tobaccos.

It helps make Chesterfields milder, it helps give them better taste. Just try them.

Outstanding... for mildness... for better taste
