

## EARLY PASTOR HERE IS DEAD

Rev. Cassius E. Wakefield Served Birmingham 1912-1917

The Rev. Cassius E. Wakefield, former minister of the First Methodist church, Birmingham, died last week in California, just after his return from a summer spent in Michigan. Mr. Wakefield served the local church from 1912 to 1917, going from here to the Grand River Avenue church, Detroit, where he remained three years. After serving for two years as secretary of the Endowment Fund Commission, he became financial secretary, and later executive director of Flower hospital, Toledo. In 1928 he took a sabbatical leave of absence, and went to California for health reasons. Since 1929, Mr. Wakefield had been connected with Los Angeles Bible Institute, returning to Michigan for the summer. He came to Detroit to his home, for this summer, but his health was not good, and he had just returned to California when he passed away.

Mr. Wakefield joined the Detroit conference in 1904, and became one of its most loved and respected members. Surviving him are his wife, 80 years old, his wife, a son, and a granddaughter. The funeral was held Monday afternoon at Morenci, and was largely attended by relatives and friends and ministers of the Detroit conference.

## THRIFT SHOP ASKS FOR MORE CLOTHES

Thursday Night Dinners To Resume October 3 At Community House

Simultaneously with the announcement from the Community House that the Thursday night dinners, so popular last year, will be resumed Oct. 3, comes a plea from the House Thrift Shop that more clothes be needed.

Last year the dinners served by the house attracted crowds of about 200 each Thursday. Mrs. S. Y. Osborne, publicity director of the house, said Wednesday that they will be served again this year.

Thursday, maid's day off in many homes, has been a good day for the dinner.

The Thrift Shop, which conducts most of its business with defunct families or those existing in very small incomes, is definitely in need of more contributions of clothing. The shop accepts donations and then sells them, through the voluntary saleswomen workers, at a very small charge to needy people.

The fact that there is a small price charged leads many people, reluctant to accept outright welfare, to buy from the shop. Any donations should be taken to the Community House, or provision for their pick-up may be made by calling Mrs. Edith Wall, hostess.

(Concluded 4 from Page 1) fit as a whole runs about 10 pounds per man heavier than last year's eleven. Last year the Cranes had an exceptionally small-sized squad, but as far as beef is concerned, the 1935 edition approaches normal.

That ample material will be coming up next year and the years immediately following as cubs to another Crane variety, is evidenced by the fact that the junior varsity, composed mostly of boys, the third and fourth forms, is stronger than it has been in a number of years.

(Concluded 5 from Page 1) Pontiac from suspicion attaching him to the looting of the local Cunningham Drug Store in March, will be arrested and kept in the coop. He seems to fly away from it at will.

Monday night, he was travelling a Detroit street with a friend when he was so rash as to drive through a red light. He was stopped, and when the men got out of the car, a pistol dropped to the ground. The men were arrested and warrants were drawn up charging them with possession of a burglary tool and a gun.

The arrest brought Clark's total number of arrests up to 30 in 1935. The men were released on \$5,000 bond.

The Rotary club will be host to the Exchange and Lions clubs at the Community House Monday, Oct. 7. The same menu served Tuesdays and Wednesdays will be served Monday, according to announcement, but the company will be different.

A series of building bees to erect a kitchen for the Girl Scouts cabin east of Birmingham will start this afternoon, with a group of Lions club members planning to furnish the labor, under direction of Clarence Blenman. Another bee is planned for Saturday afternoon. The Lions club is furnishing all material.

Colliding with a U. S. Mail truck driven by Reginald Robinson, postal employe now held on charges of appropriating funds for his own use, the car driven by Woodrow Wilson, 21, of 1392 Holland avenue, received about \$35 worth of damage Friday.

Rev. W. S. Hottel, former pastor of the Community church, will preach at the evening service, Oct. 7, 7:30, in the Masonic Temple.

GRANT PERMIT FOR MOVING BUILDING Permission was granted A. H. Gibbons, 507 Frank street, to move a frame building to the back of his lot on S. Woodward between Hazel and Bowers streets, to be used for the city commission Monday. Gibbons, who operates a wood fuel business, was given a temporary permit, renewable every three months.

The average American city family spends only one-third of its income for food.

## CLAUDE H. STEVENS WILL ADVISE CITY

Through a resolution introduced by Mayor Harry Allen, the Birmingham city commission Monday night authorized appointment of Claude H. Stevens, member of the Detroit firm of Berry and Stevens, as counsel for the city for the purpose of rendering opinions with respect to validity of refunding bonds.

(Concluded 6 from Page 1) exchange punts resorted to a passing attack which gave the hall to the Maroon and White boys, who did the playing for the rest of the first half.

Effective Passing Attack At the start of the second half the Wayne boys again resorted to a rather effective passing attack, which brought them to Baldwin's goal line, but they could get no farther. The Maroon leads, took possession of the ball on their own 20-yard line, and kept it under control for the rest of the game.

Birmingham had two or three chances to score during the half game, but because of holding or a pass knocked down, they did not score.

Coach Robinson took 35 men with him but because the game was so even and did not use many substitutes. He is still undecided as to who will play where.

Phil Carey, first string end, will be out for two weeks, while Ray Clark and Don Hobe will be nursing sore shoulders this week. Don has had his for two weeks, while Ray got in the conflict with Wayne last Friday.

The lineup: Baldwin: Bud Herist, LE Chuck Forester, LT Pete Rose, LG Rick Filkins, C Ray Clark, RG Jack Brigham, RT Harold Minting, RE Chambers, (c) Red McBride, (c) QB Charlie James, LH Satterfield, Don Clark, RB Bob Harrington, FB Substitutions: Birmingham: Phil Carey, Larry Thomas, Harry Schack, Junior Rochelle, Jack Sculari, Bill Cushman, Forrest, Ken Anderson, Wayne: Wilson, tackle.

Touchdowns—Bham, 1; Bham, 4. Losses—Wayne, 13 yds. Bham, 13 yds.

Total Gained—Wayne, 139 yds. Bham, 104 yds. Yards Passed—Wayne, 69 1/2 yds. Bham, 48 yds.

their search. He was placed in a cell and taken to Detroit Friday morning by the inspectors. He was arraigned and released under \$1,500 bond.

Robinson was arrested in his home on a charge of appropriating government money for his own use. According to Forbes S. Hascall, attorney for Robinson and Hotelling, Robinson had used some money he received in payment of parcel post C. O. D. orders last May. He had, however, paid the money back out of his pay within a month's time.

The affair had been forgotten by Robinson, Hascall declared, until a Deputy United States Marshall appeared Monday and arrested him. He also was arraigned before Commissioner Quinn and released on \$500 bond. The total sum Robinson used, Commissioner Quinn said, was \$83.

If in Friday's examination, Commissioner Quinn decides there is probable cause to hold Robinson and Hotelling guilty of the charges, his findings will be turned over to the federal grand jury. If the grand jury returns indictments, the men will be tried at a regular session of federal court.

Detained started his work at the postoffice in September, 1916, when George Mitchell was postmaster. Less than a year later, he was named assistant postmaster and remained in that post for 18 years, serving successively under Mitchell, J. W. Cobb and Joseph

A. Byrne, the present postmaster. He is prominent in the Knights of Pythias.

His wife was in the postal business before him, and during the war she carried mail for nearly a year, becoming one of the first women in Michigan to hold down a mail-carrier's job. The Hotelings have two daughters, Mrs. Reginald Robinson and Mrs. Charles Harris. Mr. Harris is also a postoffice employee, working on special delivery. Robinson is the father of four children, all boys, the youngest of whom is two weeks old.

Meanwhile local postoffice officials remained in the dark as to what the government would do about filling the vacant posts should Hotelling and Robinson be remanded to trial after their examination Friday.

Despite the fact that the postoffice is working shorthanded, Sylvester Wilkinson, money order clerk acting as postmaster in the absence of Postmaster Byrne who is attending a national convention of postmasters at Chicago this week, said yesterday that no extra men have been added.

PRESBYTERIAN MEN'S CLUB TO MEET OCT. 3 The Men's club of the First Presbyterian church of Birmingham will hold its opening meeting of the 1935-36 season on Thursday night, Oct. 3. Dinner will be served at 6:30 p.m.

The speaker of the evening will be Ralph C. McAfee, secretary of the Detroit Council of Churches.
