Broadminded Progressive LOCALS SCORE Successful Tax Drive Hits May Get G.O.P. Nomination TENTH VICTORY

Senator Gerald P. Nye, Famed Munitions Investi-gator, Is Likely Candidate

gator, Is Likely Candidate

By LESLIE EICHEL

Writer of Central Prés: World at
a Glance. Column

SOME REPUBLICANS believe
frant the G. O. P. could come closer
the Republican presidential nominee than with any other man.
But the trouble is—from the
point of view of the Republican
organization—the Junior senator
worse than a Democrat. He is not
a radical, but he is a Progressive.
In fact, the has been a far greater
thorpersorse than has been Prank.
How could any organization
kep steering to the right with a
man like that?
Yet, the Nye type evidently is
what the farm country desires.
Even worse for is it better.

A Good Bank Loan

benefits the borrower, the bank, the depositors, and the Community.

THE borrower is benefited, for it enables him to carry forward his business activities in a profitable manner and render useful ties in a promable manner and reduce useful service. The bank is benefited, for a good loan gives safe employment to the bank's funds and makes it possible for reserves to be set aside and surplus to be built up as a further safeguard for deposits.

Depositors are benefited by good loans Depositors are benefited by good loans which enable the bank to provide a safe, convenient place for their funds and to render numerous banking services. The Community is benefited by good loans which stimulate employment and business activities.

This bank stands ready to make loans which conform to sound banking principles.
