SEASON ENDS WITH REUNION OF CLASS

Gift Presented to Mrs. Shain As Tribute From Class

Members and former members of the class in International Relations conducted by Mrs. Charles J. Shain, under auspices of the Birmingham Branch of the American Association of University Women, gathered at the Community House Tuesday for luncheon and a program in an anniversary celebration.

Mrs. Oscar G. Sterrett, former educational missionary to China, now associated with her husband in religious work among the Chinese at the Central M. E. church in Detroit, was the principal speaker at the morning program. Her subject was "The Foreign Policy of Japan and Its Influence on the Chinese Youth."

Mrs. Harold T. Miller of Detroit also addressed the gathering and Mrs. Shain spoke briefly to the class.

Another feature of the program was the presentation of "Dance Without End," a clever adaptation made by Mrs. Forbes S. Hascall, and presented recently at a meeting of the Birmingham League of Women Voters.

Taking part in the play were Mrs. R. W. Bricker, Mrs. William H. Jackson, Mrs. Paul L. Penfield, Mrs. James J. Reilly, Jr., and Mrs. F. F. McKinney. Mrs. Hascall was director.

As a tribute from the class, Mrs. Shain was presented with a gift of some money contained in a tiny little leather box.

Women Golfers Will Be Hosts At Bridge Tea

Mrs. E. B. Caldwell is in charge of arrangements for the bridge tea to be given by women golfers of Orchard Lake Country Club Monday, at the home of Mrs. Hamilton H. Patterson of Goodhue road.

Assisting Mrs. Caldwell on the committee are Mrs. C. Hugh Whitelaw, Mrs. Geoffrey Strelinger, Mrs. W. E. Brewster, Mrs. C. C. Hood, Mrs. Tracy Skelton of Pontiac and Mrs. Clarence Boydell of Grosse Pointe.

At the tea table will be Mrs. Ferd M. Broock and Mrs. Paterson.

50 Tables To Play At P. T. A. Bridge

Preparations for 50 tables accommodating 200 guests have been made by the Pierce School Parent Teacher Association for the card party to be held Thursday evening at the school. Proceeds will be used to purchase a motion picture projector for the school.

There will be both table prizes and refreshments. Any game desired may be played.

The object of the P. T. A. is to clear the cost of the projectors so that performances may be given free for the children at the school.

GIRL SCOUTS

Troop Two of the Adams School enjoyed a hike Friday out to the Little Green House for a nose-bag lunch.

—o—

Two new leaders have been appointed for Troop No. 4 at the Bloomfield Hills School. They are Miss Katherine Schelbe, and Miss Marian Richards. Both will assist Miss Geraldine LeFurge, a teacher at the School. The Troop is planning a bird walk, later in the week, which will be followed by an out-door breakfast.

—o—

Troop Four of the Bloomfield Hills School attended the Boy Scout Conclave held recently at Convention Hall, and presented the 6-B Boy Scout Troop of the school with two trees, which will be planted on the school grounds. Mrs. Norman Clarke and Mrs. Randall Clark chaperoned the Girl Scout troop.

Flowered Print for Spring

Reminiscent of an oil painting in tones of yellow, pink, blue, and delicate green is this fluttering organza evening gown. Deft touches of light from shining tubular beads outline the colorful flowers and give an air of formality to the ensemble.

Novel Musicale And Tea Planned By Church Group

A novel musicale and tea will be heard in two xylophone solos an arrangement of "The Spinning Wheel" by Hill, and "The Glowworm" by Lincke. Bill Gault will play several 'cello solos. Both Mrs. Reilly and Mr. Gault will be accompanied by Mrs. A. W. Berndt.

Mrs. Bartholomew's group of songs will include "May Day Carol," from the Old English by Deems Taylor; "When I Buy My Lavender," by Edward Germaine; "Transformation," by Weather Watts; "Serenade," by Garden, and "Second Minuet," by Bixley.

Mrs. Ritter will include six numbers in her group of piano solos. They will be "Waltz Lento" by Sibelius, Gluck's "Gavotte," transcribed by Brahms, a piano arrangement of "Trees," by Rasbach, "Londonderry Air," arranged by Deis-Grigg, "Song Without Song" by Mendelssohn, and Bach "Gavotte" transcribed by Saint Saens.

A cordial invitation is extended to Birmingham music lovers and all interested, to attend.

BIRTHS

Mr. and Mrs. William K. Luscomb of Forest avenue announce the birth of a daughter, Paula Jeanne, Friday, April 17, at St. Joseph's Mercy Hospital in Pontiac.

Mrs. John H. Fitch, Jr., of Martell drive entertained members of her bridge group Tuesday afternoon at tea.

Mr. and Mrs. Louis Thoms of Pilgrim road with their sons, John and Bill, were guests for the week-end at Niagara Falls, N. Y.

Architects, Builders, Home Owners—all agree on Gar Wood oil heating and air-conditioning.

Architects prefer Tempered-Aire because it is the only complete unit system and therefore gives scientifically correct results. Builders prefer it because Gar Wood experts supervise the installation, and public demand makes Tempered-Aire houses more salable. Owners prefer it because it gives them the finest air-conditioning at the lowest cost.

At the new low prices, you can't afford not to have this luxury and this operating economy. Owners say Gar Wood oil heat costs less than coal, and that's about all the expense there is to Tempered-Aire operation.

Telephone and let us explain fully why Tempered-Aire is the overwhelming choice of Detroit architects, builders and home owners.
