BOY SCOUTS WILL HOLD EXPOSITION

Program And Progress Of Scouting Movement Is Objective

Sponsored by the Detroit council, a Boy Scout exposition will be held at Convention Hall, Detroit, Thursday and Friday, April 16 and 17, it was announced. The objective of this merit badge display is to acquaint the public with the program and progress in the Boy Scout movement in and around the motor city.

Thursday night, April 16 has been designated as Birmingham Night. Scouts and adult leaders

in this community are desirous that parents and friends of the scouting movement avail themselves of this opportunity to attend. Although this is the initial venture in the exposition field by the Detroit council, the idea is not new. Philadelphia, Pittsburgh, Chicago and other large cities have used this method of presenting successfully scout activities to the public.

Tickets may be procured from any local Boy Scout or leaders at very nominal price, it was said. A portion of the money goes to the troop selling the tickets to the exposition. The proceeds of the day thereby aiding local units in their problem of financing their work.
