KAYE DON ENJOYS FIRST BALL GAME

Famous British Sportsman Thrills At Speed Of National Pastime

DESPITE DROUGHT RETAIL TRADE WARDS OFF SLUMP

Although the drought situation remained acute in some sections of the country and as reflected to some extent in general continued retail trade in general continued to ward off the normal summer slump and in many cities the volume was greater than the previous year, as well as the 1935 period, reports to the Department of Commerce from all sections indicated.

Promoted gains over the previous week were attributed to increased customer interest in home-furnishings and furniture, while there was some decline in clothing. Crop conditions outside the drought areas were excellent.

DETROIT BUSINESS MEN who live in Birmingham and Detroit will be pleased at the effort and helpful printing service available from the staff of The Eccentric. We have three Detroit telephone numbers: 6224 and 6247, and four suburban numbers: 2-1000, 2-1001, 2-1002, 2-1003.

The Stroups-Fellowship for the first place in the Twilight League will be placed off in a series of games within the next week, if they are announced recently. Meanwhile, both outfits have scheduled several games with good out-town softball amateur teams, and some close, hard fought games are expected.
