Herman J. Rauchle Is Seeking Election To Sheriff's Office

Herman J. Rauchle, Royal Oak, recently announced his candidacy for the Republican nomination for Oakland county sheriff.

Stating his belief that "the office of sheriff was created to render service to the community under its jurisdiction," Rauchle declared his intention, if elected, "to cooperate fully with the courts and state and county officials."

Rauchle was born 47 years ago at Philadelphia, Pa., where he lived until he was 23 years old, receiving his education in the Philadelphia grade school. He started as a boy to learn the building trade under his father, and later took a course in building engineering.

In 1912 he moved to Detroit, where he worked 12 years with the Cadillac Motor Car company, receiving a silver and a gold medal in recognition of his service. In 1916 he moved to Royal Oak. He is married and is the father of four children.

"THE HOME PLACE"—DOROTHY THOMAS

"The Home Place" is a purely mid-western story of rural life which appeared in Harper's magazine. Ago has recently been published in book form by Knopf. It is the type story which will appeal to any one living in or interested in rural community.

The Young family had always been fairly prosperous farmers, had raised and educated three good sons and all were living well when the depression came. Tom, the oldest had been disappointed in love and had later married Edna, a hard working, heavy bodied, shoulders neighbor girl who had already borne him two sons.

When the story opens he with his wife and two sons are living with Father and Mother Young, who had set about all day in her pajamas smoking cigarettes and fussing with her nails much to the disgust of Edna and everyone else except Tom who saw in her a resemblance to his first sweetheart.
