Christmas, Prophecy L ONG, long ago the Magi came with trophies To pay their homage to an infant King. The vanished years saw shepherds in Judea Find magic light, and pause, remembering That there would be a sign that early morning When One would come with halm for weary scars,

God Rest You Merry.

To Be Theme Of Talk

When One would come for weary sears, A donor of new hope, gay love, warm shelter, Who game to earth attuned to, Christmas stars.

THE prophecy of peace has never vanished; I never vanished:
It sings its way through blur of
martial drums.
Good will to men is more than
myth or faney:
There are so many kindly ways
it comes!
Where stockings hang, gift-filled,
and dreams are mended.
Where fires, long dull, glow high
and true again.
Because we shared, an echo finds
fulfillment:

Because we shared, an echo finds fulfillment: "Peace on earth, good will ouce more to men!"
