

# CRANES' MAT TEAM STRONG

Appear Destined To Better Excellent Record Of Past Year

Captained by Richard Kern of Detroit, who in the estimation of Coach Robert Hall is an ideal captain besides being a wrestler of the first order, Cranbrook School's wrestling team promises to equal or better its record of last season of four wins and one closely contested defeat.

Twenty-one boys are having daily workouts, and are competing for the 7 regular positions on the team. Andy Hinshaw of Bloomfield Hills, and Gene Chamberlain of Detroit, regulars of last year, are again on deck for this season. According to N. C. A. A. weight classification the entrants are grouped as follows:

**Fencing Under Way**  
 Fencing is at present occupying the stage for a number of boys at Cranbrook School. Because of the difficulty in coaching so technical a sport the number allowed to participate is limited. Coach F. Philter Curtis is looking forward to a hard fought season despite last year's record of 10 wins to 2 defeats. In all probability matches will be scheduled with a number of college and university teams. All three weapons, foil, duelling-sword, and sabre are fenced.

The regulars of last year back for the current season are Charles Gilbert and Charles Hall of Detroit, and Captain Bill McKelvey of Youngstown, Ohio. New men of probable regular material are Richard Morgan, Detroit; Robert Franklin, Jackson; and Richard Barstow, Midland. Others competing for regular positions are: Jack Boyd, Beverly Hills, Calif.; Leroy Binkley, Glencoe, Illinois;

Robert Chandler, Los Angeles, California; James Libbey, Royal Oak; and George Reye, Detroit.

**TAKES DAILY RIDE**  
 Kansas City—Every day for the past seven years Dr. John D. Brock, optical supplies manufacturer, has gone for an airplane ride in one of his three airplanes to prove his statement to a group of airplane pilots that one could fly every day in "this country." He won the argument and lived the idea so much he continued the habit.
