Care In Use Of Electrical Decorations And Toys Asked By Inspector

Inspector J. H. White, of the Birmingham fire department, today issued a warning to the public to exercise the greatest care in the use of electrical decorations and toys at Christmas time.

White said that the fire department has received a large number of calls for assistance in the past few days due to the use of electrical decorations and toys.

He said that the most common cause of fire is the use of electrical decorations that are not properly cared for.
