House of David '50' Plays in Pontiac

The famous House of David Basketball team will make its first appearance in Pontiac Monday, December 7, for a game with the school gymnasium at 9 p. m. of an exhibition game with an all-star team, selected by the basketball fans, from the Pontiac City Recreation League.

Bill Steinicke, catcher of the Philadelphia Athletics of the American League, is the clown of the Davids' basketball team and is one of the best long shots in organized basketball.

Gilbert (Tiny) Ketcher, giant center stands eight foot, one inch, weighs 315 pounds and wears a size 23 shoe. When he and the diminutive Steinicke are on the court, the fans will hold their breath at the antics of this pair. They two will assure a good turnout of basketball's greatest players and with their the audience with his punning and kidding of the ball on the post line. Chuck Klunder and Will Koche are said by Sport Writers to be the best forward combination in the game. They dropkick the ball about the floor and provoke many laughs with their canny ability. The House of David also has named Slim Mitchell, a 6-foot tall, all-American of Kansas, who is a real star of the court.

Student Chatter

By THE CHATTERBOX

Well now that it's all over but the shouting, let's pass around a few congratulations to those who helped make our Thanksgiving vacation a success. First, to the Publication Club for the first football program that was ever published by the high school. Second, to Jack Howell for his splendid coaching of the football game against Royal Oak. Third, to the Alpha Omega B team for sponsoring the Thanksgiving Dinner that everybody enjoyed. Fourth, to the boys of the 9B team for their fine football game against Royal Oak. Fifth, to the community House for the successful Saturday night dance, and last but not least to the school board for bringing us back to school for another year.

Since we have finished the congratulations for one week we will enter the wondering mood of the New Year. Everybody should spend her New Year's Eve with her Peabody. Well, Slim and I can have a party all of our own. Charles Boyton, one of our greatest specimens, seems to be going quite well with his girl friend, Miss Mary Cook. I have heard that he has been to the party at the Peabody. I have been to the party at the Peabody. I have been to the party at the Peabody.

A contest started November 1 and ended November 8. A prize was awarded to the large deposit during that time. H. M. Cole took the first prize for the 9A's and Jeanne Sprague of the 9B class will receive recognition.

The Booster is holding a contest for the 6, 7, and 8th grades only. The person writing the best finish to a certain starting point in the latest Booster will win a free subscription. If he is already receiving the Booster he may keep it for one year. Pupils are walking around in a daze and are mumbling words or scribbling on the backs of their books. The faculty is glad it all ends December 3rd.

The football team has a new real excitement this year. The reason for these statements is that last year Birmingham had been one of the District Tournament.
