CUTTING A LANE THRU THE DARK. Clearly, candidly, briefly. The United States News presents the news of national affairs in compact form.

To Help You Keep Abreast of the Times

So much is happening every day in the world of government that affects your living, income and buying power. What is Congress doing? For what money is spent? For what is raised? Who is to administer the spending? What does this business investment mean? Will it continue? Why is there another slide to so many questions?

The United States News

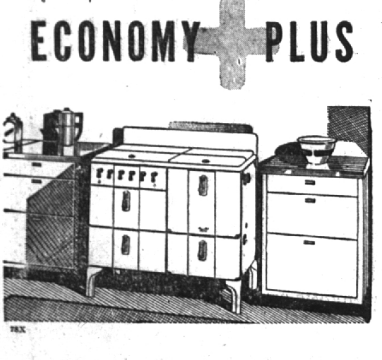

Every week you find in The United States News a complete, accurate report of national affairs from Washington. News is grouped together in departments for your convenience. Simplified for quick reading. Connected for clearness and perspective. Authoritative, concise, unbiassed.

REGULAR PRICE \$3.00 PER YEAR. Send me The United States News every week for the next EIGHT MONTHS. I enclose \$2.00—your special introductory rate to new subscribers.

What and Where Is It?

Correct answer will be found on Classified Page

While Cops Chased Him, Frank James Was Star Of Turf

The class in history. Frank James, brother and partner of the more celebrated Jesse, had a long and successful career on the turf. One year while the gendarmes were conducting a nationwide search for him, he reared a string of horses to the Tennessee tracks, and even rode a few winners in races open only to gentlemen jockeys.

What and Where Is It?

never can have the chance to win them again. They... And on and on. Thorpe listened, frowned and was silent. It is said that Indians never reveal their thoughts by the expressions on their faces. So his friends may have been wondering what was going on behind those high, copper-colored cheek bones during its long moments of silence. But they did not have to wait long. Thorpe stretched one leg out, pointed at them and spoke.

ended in jail after killing a policeman. A jail spent years in prison robbery and assault by American politician for the time.

There was no use in pointing out that being out in one strike from the cup was a matter of luck and that the odds are perhaps a million to one that it can happen to him again. It was a triumph that set him apart from others, he could talk about it and be happy. No theorist could take that away from him.

His Job and Memories Are Enough For Ex-Fug

Not so long ago I passed the office of a great newspaper. At the side entrance where trucks are gathered to carry away the first editions, a tall man was standing, cup tucked down over his cauliflower ear. As the match flared to light his cigarette, it revealed this twisted nose.

Cold Facts Make Hot News Suit

"Kid," I said. "Are you unhappy? Do you wish you had it to give away again, that you might be a champion?" The tall man granted, then peered at me through renege eyelids that had come into contact with tudding fats all too often in those later days when the shadows were creeping persistently about him.

Medals Couldn't Take Away Thorpe's Victories

Let us try again. There is the story of the Indian who was a trunked and strong as any at the Olympic games in 1912. Later it was discovered that he had played while competing who's around these amateurs of all nations. He wanted to return his prizes.

"What are you making so much of a fuss about?" he asked the mourners. "Yeah, I know those apps and this looked pretty and they would have been nice to have around the house, but what of it?" "Yes, Jim," his well-meaning friends persisted. "But think of what those things meant. They were tokens of victory and you
