# JANUARY LOSS

Chief Griffith Comments On Splendid Cooperation By Residents

Commenting on the splendid cooperation local people have accorded the fire department's
warnings to watch defective flues.
Wern Griffith pointed out to an
Eccentric representative that only
\$40.00 worth of property had Bigan
destroyed in Birmingham during
the past month as a result of
blazes.

340.00 worth of property had besindestroyed in Birmingham during the past month as a result of in reviewing the work of the fire fighters during January, the chief explained that only ten silent alarms had been turned in and the same and the same and the services of the permanent, paid fire force is aid, adding that the losses in control of the permanent, paid fire force is aid, adding that the losses in curred were covered by insurance. Abcording to the monthly humilities, assubmitted to the City Manager James W. Parry by Chief control of the permanent is a submitted to the City Manager James W. Parry by Chief criffith, there were only three and one-half hours, spent in actual fire raversed errorute to fires, 204 feet of ladder were raised and 120 gallons of owner were pumped, and the summer of the fires, 204 feet of ladder were raised and 120 gallons of owner were pumped, and the summer of the fires, 204 feet of ladder were raised and 120 gallons of owner were pumped, and the summer of the fires, 204 feet of ladder were raised and 120 gallons of owner were pumped, and the summer of ladders were reasonable to the summer of the fires, 204 feet of ladders were raised and 120 gallons of owner were pumped, and the summer of the fires, 204 feet of ladders were raised and 120 gallons of owner were pumped, which is the summer of the fires, 204 feet of ladders while considerable time was given over to fire prevention work. Chief Griffith, referring to the time spent of linespecting hydrants have become frozen much more frequently than they did in formation. At present, though, only the reason of force, the chief department's paid force had been filled, when a proper the force and the forc
