RIDLEY Miraclean

PHONE 380

Lovely ladies of the tirst rami-lies in Maryland, Virginia, California and many other states send their beautiful gowns to us to be Miracleaned.

We are the **first** and only institution, in this area, to adopt the Miraclean process. (The process which removes the dirt, perspiration and oily body ex-cretions, absorbed from other people's clothing, from dry cleaning solvent.)

Our finishing department is first with a competent staff of stylists and experts whose first consideration is your complete satisfaction. In finishing your gown, your individual fancy is their command. Our finishing department

May Your Gown Be of Soft, Lustrous Satin or the Finest Silk

. . . It will be Miracleaned in crystal-white Mira-clean Solvent . . . as sparkling and clean as new fallen dew. Your gown will be gently submerged in many changes of this crystal-clear Miraclean solvent. The lightness of Miraclean promotes instant evapora-tion . . elimpating the wear necessary in remov-ing heavy, odorous solvents.
