WHETHER you do a given task yourself or have it one for you, every so often omething is forgotten-it's human nature—you can't pre-vent it. And that is why this new, fully automatic water softener is in such big demand.

It cannot make mistakes—it sever forgets.

There is nothing like the sat-sfaction of knowing that your oft water problem is solved And you have the added sat-

isfaction of knowing that house-hold and living expenses are being constantly cut in a dozen ways—less soap, fewer plumb-ing bills, less fuel, longer life of linens. It will pay you to learn more about it at once—just send in the coupon.
