SAM AND ADOLPH BRUNI TO EMBARK ON ITALIAN TOUR

Local Youths Will Enjoy
Trip As Guests Of
Fascist Gov't

For the second time, Sam and Adolph Bruni, sons of Sam Bruni Sr., proprietor of the Birmingham Fruit and Grocery Company of North Woodward, will be guests of the Italian government during a two and one-half month visit to Italy. They are among the fifty boys from this district chosen by the fascist government to make the trip because of their work in expanding the Italian language.

The boys left Detroit Wednesday morning for New York City where they will embark on the liner Cuneo Saverio tomorrow for Genoa, landing there July 19. They will be received by Italian authorities and escorted to Milano, Venice, Florence, Pisa, Naples and Rome, where they will meet His Majesty, King Victor Emanuel III, and King's Royal Highness, Prince Humbert.

The local boys are two of a contingent of fifty thousand young men and women drawn from all over the world. This is the third group to go from North America. The movement was started in 1927, but it was not until 1934 that the first North American group was brought across the Atlantic to Italy.

All expenses being paid by the Italian government, the boys will tour Italy, dressed in the uniform of the youthful fascist organization, and see most of the famous historical spots in Italy as well as spend two weeks in Camp Mussolini in the Alps and two weeks at the seashore at the famous Lido. Mussolini's purpose in sponsoring the undertaking is to acquaint the Italian youth in foreign countries with the Fascist's accomplishments in Italy in the past few years, it was learned.

The boys will be under military supervision during the entire tour and rules will be observed. They will return on the same boat on September 8, of this year.

Birmingham before today

By MINNIE HUNT SALTZER

The lots on the south side of West Brown street between Stanley avenue and Cherry Court belonged to Mr. and Mrs. William Robinson. Mrs. Robinson's maiden name was Miss Taylor, the children were George Thomas and Vina.

The Smith home was the South-west corner of Cherry Court and West Brown street. Mr. and Mrs. Smith were the parents of William, Orvil, Charles, Ora and Ida. Ida is the wife of Mr. Frank Simpson. Their first home was about 500 feet south of the Smith home on the east side of Cherry Court. Their present home is on the north-west corner of Brown street and the alley that connects Stanley avenue with Townsend street. Here they have an avian which was built at the north portion of the lot by Mr. Simpson who has been a carpenter for many years. Mrs. Simpson is doing a lot of bird culture and possesses many beautiful song birds. Charles Smith works at Greenacres cemetery for a long time and was always courteous and painstaking in his work.

Ora Smith has a home on Southfield Avenue and is one of Birmingham's oldest businesswomen. It was one of Birmingham's original ball players during the '20's.

At one time William Smith was in the house for a few days. He was not so easy to keep in touch with one's friends and so, a wish to learn how his friend was, Will drove the horse into the yard to inquire how the friend was. To say that the inmates of the house received the shock of their lives when they discovered the horse in the yard is putting it quite mildly. William was killed a number of years ago when he came in contact with a live wire while working for a telephone company. Frank Simpson has always been a very friendly man and well liked by the old residents of the town.

The house west of the Smith home is owned by Mr. and Mrs. Willis Carter. When they were first married they lived in an apartment over the old Leary Peabody store. Later they lived in a cottage which stood at the southeast entrance of Perry street and the old alley which connected Sageman street with Perry street near Martin street. I believe their oldest daughter died in this house and was one of the first ones to be buried in the cemetery on the "White Horse." Mr. Carter had the cottage moved to his property on W. Brown street and later replaced it with the house in which he and Mrs. Carter now live. Willis and Margaret Carter were club members of the Macabees. In fact Mr. Carter and Mr. Willup Harris are the only charter members of the Birmingham K. O. T. M. now living.

Mrs. Margaret Carter, Mrs. Lillian Wilson and Mrs. Clara Baker were the women who obtained enough money to close the chapter of the Mary D. Hyde L. O. T. M. of Birmingham.

Mr. and Mrs. Carter are the parents of five daughters, three of whom are living. Their daughter, Bessie, passed away in young womanhood. Those surviving are Mrs. Jina Cunningham, a native sister of Mrs. Jina Miller; Mrs. Hazel Bingle, wife of Glenn Bingle; and Mrs. Lillian Emma Phipps, who was called the L. O. T. M. baby and was a namesake of Lillian M. Hollister, Gt. Com. of the L. O. T. M. and of Emma Tibbels, Com. of Mary D. Hyde L. O. T. M. at that time. Her sponsors were Grace Parks and Minnie Hunt.

Mr. Carter was a contractor and builder, having learned his trade from Theodore Bonham and later worked with Renwick Logan. He was the contractor and builder in the Hill school was remodeled in 1902. Other men who were identified with this job were Samuel Herbinson and Mr. Fred Funchall.

The Gravin home was west of the Carter home. Mr. and Mrs. Nellie Gravin were the parents of Gladys, Joseph, Bert, Fred, Linda, Agnes, Pearl and Peter.

Mrs. Linda Hopson is an active member of the Order of the Eastern Star of Birmingham. Mrs. Mary Reynolds Gravin is the widow of Bert Gravin and has a home on the south side of Townsend street near Chester street. Her husband was a painter and decorator. I believe she has three sons one of whom is Floyd. She is a graduate of the Birmingham High School class of 1895.

H. W. Dudley To Run For County Office

Harold W. Dudley, of Pontiac, candidate for nomination on the Republican ticket to the office of Circuit Court Commissioner of Oakland County, has announced that petitions for his nomination are now in circulation in Oakland County.

Mr. Dudley received his elementary school training in Pontiac, later graduating from the University of Michigan, Detroit, and law schools. Since 1929 he has been in active law practice in Pontiac.

He has been a member of the Board and Vice-President of the Board of Education of Pontiac, and Secretary of the Young Men's Republican Club of Pontiac, on the board of directors of the Junior Board of Commerce of the Junior Chamber of Commerce of Pontiac, and of the Pontiac Y. M. C. A. Board of Pontiac.

He has formerly superintended the Birmingham schools, and is now principal of a Pontiac school, and at present, Dean of the Pontiac School of Law. In 1935 he was named Public Administrator of Oakland County. He has been President of the Michigan Automobile Club, and is Secretary of the Pontiac Exchange Club. Both he and his wife have been active in the Republican party.

WESTERN RANGE CONDITION MEANS EARLIER SHIPPING

Farmers in Michigan who annually buy from 200 to 300 thousand feeder lambs and from 20 to 30 thousand feeder steers were told recently by A. J. Dexter, rail way agricultural agent, that range conditions in the west likely will mean earlier shipping to buyers of dry conditions and prospect of a heavy grasshopper outbreak.

Most of Michigan's feeder lambs are from western range stock, and are shipped into the state from July through March with heaviest shipments in October. A large proportion of feeder cattle also comes from western ranges, mostly shipped direct in October and November for fattening on crops grown in this state.
