Reduced Telephone Rates

Effective on the dates shown below

By order of the Michigan Public Ltilities Commission, dated July 1. reductions are made in certain telephone rates and charges in the Bir-

On rural lines the charge for the upright or desk type telephone is reduced from 25 cents a month to 10 cents, and will be eliminated en-tirely after the customer has had that type of telephone in service con-tinuously for 10 months.

The charge for the hand telephone is reduced from 25 cents a month to 15 cents, except on rural lines where it remains at 25 cents, and will be

eliminated entirely, as at present, after the customer has had that type of telephone in service continuously for 18 months.

The above reductions will be effective in the case of present customer-

Reductions also are made in the charges for installing and moving tele-Reductions also are made in one coarges to incomment. For instance, phones and for changing the type of telephone instrument. For instance, the charge for installing a business telephone where there is no instru-

ment already in place, is 83,50; for a residence telephone where there is

no instrument already in place, it is \$2.00. Those reductions became effective Saturday, July 11.

Effective July 26 charges for rural multiparty service beyond six miles

from the base rate area are reduced. Monthly rates for other residential

and business service are unchanged except that the four party business
