OIL HEAT COSTS LESS THAN COAL"

And they spread the good news.

You too, should have air conditioning conducts in your home. Dempered-Aire does these 5 things:

CIRCULATES the air— rejuvenating the air completely every 10 minutes in the entire home.

HUMIDIFHS the air— supplying fresh air with the ideal moisture con-tent for family health.

 WARMS the air—insuring uniform, healthful heat automatically at low cost. • COOLS the air-by sci-[entific air circulation in the summer time.

In Birmingham, as in Detroit, Gar Wood equipment outsells all others. That's because owners say Gar Wood oil heat costs less than coal. You'll want this economy. And you'll want the luxury of genuine air conditioning. Purchase prices are lower now, too. Phone and let

J. J. Levy Says:

Every day we are proving our statement. "If you paid \$1.00 per gallon you could not huy a better gasoline." Birmingham motoristare driving in after trying a tank of our gas and confirming our claim that their cars do perform as well or better with our gas than they ever have on other gasolines. If you have not already put our gasoline to the test drive in and get 7 gallons . . . and this will be your guarantee. "If in your opinion our gas does not make your car perform as well or better than any other gasoline you have ever used—your money will be refunded." . . . and remember—you save up to be gastlow whom how is consequently and remember—you save up to 4c a gallon when buying our gasoline.
