Gauklers First In Bridge Tourney At Community House

Using the Howell movement for the first time, the regular Monday night Contract Bridge tournament, held at the Community House under the direction of Mrs. Mary-Lewis Fletcher, proved an interesting diversion from the Mitchell system of playing and scoring.

First place winners were a Pontiac couple composed of Mr. and Mrs. Claire Gaukler while second for the evening was a local team, Mr. and Mrs. Walter Smith.

In the Mitchell method of tournament play the boards move from the lower numbered tables to the higher while the East-West players reverse the procedure. North-South never move throughout the match. Using the Howell Movement, all teams move as do the cards, directions being printed on the boards as to where the players go next and to what table the cards are assigned.

Another of these interesting tournaments will be held Monday night and Mrs. Fletcher cordially invites local and out-of-town players to participate in the game. A small fee is charged to cover the expense of prizes that are offered to winners.

For as little as 25 cents you may insert a CLASSIFIED AD in the columns of The Eccentric. Try one when you want to buy or sell, locate a house or sell one or for hiring a maid. Telephone 11 before Wednesday noon each week. —(Adv.)

Big Beaver School News

The Big Beaver Boys' Basketball team entered the Class D school tournament at Milford last week-end, losing to Auburn Heights Friday night. They swamped Waterford on Thursday night after taking a four point lead on baskets by Charles Bartley and Frank Mapes, increasing their lead almost at will, and defeating them 31-14. Frank Mapes made good use of his height by sinking several field goals.

In Friday's game, Beaver could not make up for the first half when Auburn sunk basket after basket almost at will. In their final game of the tournament the boys showed the spirit which would have won for them Friday, by defeating Drayton Plains 28-19. The squad for these games was made up of Frank Mapes, Bob Hainey, Bob Nancarrow, Charles Bartley, Edward Welch, Lyle Russell and Arthur Miller. Two regulars could not be included because they were eighth graders—Richard Haney and Tom McGrath.

The final school declamation contest was held last Wednesday afternoon. The eight placing first were—Clover Sutherland, Helen Tucker, Ruth Kennedy, Bob Nancarrow, Shirley Cory, Pearl Mapes, Ruth Penney, and Velma Wilson. The judges for this were Miss Ruthanna Brinkman of Clawson, Miss Ruth Gregg of Log Cabin, and Mrs. Anne Tracey of Big Beaver. Clover was chosen unanimously and will compete on or before April 10 against students from Almont, Auburn Heights, Dublin, and Romeo.

Rose Dagostino entered the fifth grade Monday from Marine City. Her sister Florence has been attending school all this year.

Betty Ellis of the Tenth Grade Geography class has turned in a very fine project showing materials used in the making of cars.

The Girls' 4H Club will have its local achievement Day at Poppleton School March 17. Other schools competing are Poppleton, Colerain, and Troy-Union. All the girls are first Year girls which means that they must make two towels, one by hand and one by machine, an apron, and a cotton dress, as well as two satisfactory darns.

The Class Spelling Bees are this Friday. The winners from each class will be chosen then.

Baldwin Junior High

TOURING EXHIBIT TO VISIT MICHIGAN TOWNS

Tuberculosis is curable and the best place to cure it is in a modern treatment sanatorium. That is just a small part of a wealth of information about tuberculosis that the largest traveling exhibit in the United States will bring to Michigan people during the next twelve months. Financed by the Michigan Tuberculosis Association through the sale of Christmas seals, the exhibit will visit upwards of sixty communities in the state.

"If the worth of Michigan Tuberculosis sanatoria had to be proved, nothing could do it so conclusively as a look at the record, said Dr. Bruce H. Douglas, President of the Michigan Tuberculosis Association. "In 1900 there was not a single sanatorium bed in the state and the death rate was 102.4 per 100,000. At present there are 4,563 approved beds in Michigan and the death rate for 1935 will be approximately 41 per 100,000.
