CENTIPEDE

Wears

Never before in our experience

Never before in our experience has a new tire met with such overwhelming public acclaim. Everyone who tries this sleek, multiple-rib tire marvels at its flowing, silent ride. The sure, never-failing traction of Centi-pede Grip is hailed as the most important actety development

important safety developme

in years. And tests prove that the deeper, more flexible tread of Tempered Rubber will set new records for mileage. See us

#### The Liberty Bell Rings Again

By RAYMOND PITCAIRN National Chairman entinels of the Republic\_\_\_

ntly the Liberty Bell was

rung" saun in Philadelphia.

At its quarded shrine in Independence Hall the famous relie was
apped with a rubber mailet and its
deep tones were broadcast into
deep tones were broadcast into
for the famous period of the famous period
On this occasion the Bell was
unuded in the cause of peace. To
the people of America and other
and it carried the message of our
with all aktions. But there are only
with all aktions. But there are not
messages which the Bell that has
nade glorious history could carry
kroughout the world.

sages which the Bell that has le glorious history could carry unshout the world.

ould remind us at home of the rage and strength and passionate re for personal liberty on which fathers founded and developed nation

could recall to the autocrase could recall to the autocrase the people of central Europe glorious history of a nation h wrote tolerance and freedom ligion into its fundamental law, as through 150 years of history, could remind the men and appress find their suresting place where the people, one are some of the private to the people of the private way to the people of the private the people.
