OIL HEAT COSTS LESS THAN COAL"

PENNY-WISE is Gallon-Foolish

You can buy cheap oil-burning and air-conditioning equipment that will apparently save you money in first-cost—justa syou can buy cheap humber, or cheap plumbing or cheap paint. But you can't buy any air-conditioning equipment, at any price, which will render you such dependable, economical service over a long period off years as Gar Wood Tempered-kire. Owners say Gar Wood oil heat costs less than coal. That mems year-in-and-year-out (economy, It means more heat per dollar spent for fuel.

That is shy 1935 was the biggest year in Tempered-Aire's eight years of history—and why Detroit sales of Gar Wood oil burning equipment for the first five amonths of 1936 are more than double the sales for the same period of 1935.

Telephone and let us explain why Gar Wood equipment
