PHONE 2500 WE DELIVER The New Ford V-8 for 1937 is the most beautiful Ford car ever offered. It is built in only one size—one standard of roomy comfort and modern appearance. But you may have either the improved 85-horse-

have either the improved 85-horsepower V-8 engine for maximum performance—or the new 60-horse-power
V-8 engine for maximum economy.
The smaller engine makes possible a
lighter car—lower operating costs
—and a lower price.
When you drive the 1937 Ford with
the 85-horse-power V-8 engine, you
are master of a power plant that
gives everything you can possibly
demand in speed and acceleration.
Today, improved carburetion enables
it to deliver its thrilling performance with unusually low gasoline
consumption. consumption.

The new 60-horsepower V-type 6-cylinder engine delivers V-6 smooth-ness and quietness, even at speeds up to 70 miles an hour, with gaso up to 70 miles an hour with gase-line mileage so high that it creates an entirely new standard of economy in modern modes.

We invite you to see this new Ford ear, and arrange to drive one equipped with the engine that fits your needs.
