When you're out to win—you can't afford to coast!

"During the past year Nash and LaFayette won thousands of new buyers because we offered the public 'more car' for the money... But we're not coasting on the success we've had... We're out to win!... We want still more new customers. When you see our new cars for 1937, I'm confident you'll agree we're giving you more real value, beauty, luxury for your money than any other manufacturer today."
