BY THE CHATTERBOX

Three fumbles on the part of the local eleven in the reason they lost to the "Pointers" last Saturday. Birmingham played a hard game, and provided plenty of excitement for the ones that were there to cheer for them. Bigger, one of the Maroons guards, was not in the lineup. Watkins played in his place and did a good job. Phil Carey, Jr., Rocheau, and Capt. Harrington were the stars of the offense while Scalaro, and Rocheau kept Grosse Pointe from running up a larger score.

A large turn out is expected at the Saturday night dance this week. The girls are going to get their chance to show the boys a good time. Hoover seems to be all smiles due to the fact that Miss Gay has asked him to go with her. I wonder what happened to Whaley. Dottie Trump is taking our handsome end of the football team. Where is "Sucker" Poter? We know Helen Shaver has the honor, or? Wilma Ward is taking "arms and legs" to the dance. Where is Fisher. Porteous be? of yes, with Fisher. Chris Smith, who has taken a chance to take him to the dance. I'm wondering whether she will make use of it? Opportunities only come once in a life time Chris. Jim Bickford, who is always blowing about his little honey by the name of Marilyn Ely is taking Miger Gardner to the dance Friday night. What could be the trouble between these two? (Gorman) . . .

Nancy Murray has in her possession a rabbit's foot which seems to be bringing her luck. How about it Dean? Who gave you the rabbit's foot Nancy?

For the benefit of those people who want to know where Phil Carey has been the last week during his spare time I'll let you in on the secret. Ann Louise was operated on, and Phil has been spending all his time at the hospital.

Mayra Jean Gracey is going to the dance stag. (that is the last

report) I think something should be done about it. Don't you? (Purman).

The saying "It's been done before" seems to be the only explanation Clark Collins can give for his escapade one night last week after school. I'm wondering what Francis has to say?

In order that the boys will have an easier life I think it would be a good idea if the Community House had a topsy turvy dance every other week. How about it boys? "O. K." Girls see if you can't help this little suggestion along.

I wonder what Geo. Wayne isn't getting a date for the Thanksgiving dance. (slugg-slugg.)

I'll be seeing you boy's and girl's at the Thanksgiving football game, and don't forget to buy your football program.

### Ohio State Closes Michigan Schedule

Michigan closes its 1936 football season next week against the team which has been since their first meeting in 1897, one of the bitterest. . . we know Helen Shaver will go to Columbus for the game seeking a measure of revenge for defeats in 1934 and 1935 which are paralleled only by the defeats in those years at the hands of Minnesota.

In 1934 the Buckeyes equalled the Gopher scoring mark of 34 points against the Wolverines, but last year fell two points short of Minnesota's 40-0 win.

In all-time competition, however, the Wolverines retain an edge, with 22 wins as against eight losses, while two games have been ties.

The series between the two schools also marks the longest consecutive string of games with a Conference foe for Michigan, the series continuing unbroken since 1918.

1936 MAY TOP RECORD

Chicago.—If the present trend continues, the nation's traffic death toll may reach a record high during 1936, according to R. L. Horney, statistician of the National Safety Council. During the first three quarters of this year, 25,850 persons lost their lives, compared with 25,850 for the same period of 1935.
