what will the next four years hold for the United States? No one can say, definitely, even including President Roosevelt. But let us all hope and pray that the victory Tuesday will not upset the head and heart of the President—for now more than ever this nation needs to be guided by the steady hand of a courageous man with both feet on the ground.

Safety On The Highways

Safety On The Highway

Crime Costs the American people 15 billion dollars a year, says J. Edgar Hoover, director of the led-grad Bureau of Investigation. He points out at 15000 multipersons annually cold under a real bureau of the points of 200,000 persons now form the country and will, before they die or are electrocuted, send 100,000 other persons to death by slaying. Every forty-five minutes that passes marks the death of some man or woman in the United States from violence.

Mr. Hoover says that this crime remarks that some properties of the properties of the control of the properties of the properti

the United States from violence army include wording.

Mr. Hoover says that this crime army include wronge, who let word the more than 700,000 boys and girls of less than the voting age." These youngsters are the recruits and if the criminal army is lessend the place to stop the recruiting is in the homes of the United States. "Lastivy of administration in the duties of parts," hood," says the crime expert, "threatens the foundations upon which the family was founded," Along one. As nearest, but a "good, cleares" if they get proper home foundarious than the same line, William J. Quinn, chief of police. San Francisco, declares "if they get proper home foundations that was the properties of the properties o

asserts that 98 per cent of his cases come from broken homes.

These words ought to mean something to the surely parents of this community and should impress upon every one of them the impactance of their jobs in the raising of boys and girls into good men and women. They should likewise mean much to those citizens in every section whose interest in welfare when the properties of the community and the raising of boys and girls into good men and were properties of the surely section whose interest in welfare work for young people has sometimes been dulled by the unappreciative attitude of the people generally, there is possibility.
