We Explain the Superiority of Miraclean

It is well to know the difference between ordinary cleaning and Miracleaning. . . . It will save your cleaning bills in the long run. Like a good shoe, it lasts longer! . . . The reason is simple. . . . Miraclean solvent does not contain the DIRT, PERSPIRATION, or BODY OILS from other people's clothes. . . . Consequently, Miraclean does not leave a smelly oil film in your clothes, which would pick up dirt and dust twice as fast. . . . Miraclean is positively CRYSTAL PURE and hygienic. . . . It is continually DISTILLED, FILTERED and MIRACLEANED. . . . AND it never touches your clothes until after going through this entire process.
