For Safety's sake
PAVE THE GAPS WITH
Concrete

Why do state highway departments warn the public: "Concrete pavement ends"?

Because it is universally accepted that speeds which are reasonable and safe on concrete become dangerous on other surfaces.

To save lives, to prevent accidents . . . demand concrete *all the way*.

True and even, it has no high crown—is usable to its full width. Brakes are at their best on its gritty non-skid surface. Its light gray color and sharply defined edges give high visibility at night. Any car is a better car on concrete.

And concrete saves money for motorists and for taxpayers. Insist on concrete for your roads.

MAROONS LOSE TO FERNDALE

Baldwin Drops Third Game Of Season, 13-0 Saturday

A well placed punt in the second quarter and an intercepted pass early in the third period were the two factors that contributed to the downfall of the Baldwin High School grid squad in their clash with Ferndale's eleven at Lincoln Field, Ferndale, Saturday afternoon. Both plays resulted in the opponents crossing the Maroon goal line, the final score of the contest being 13 to 0. The defeat marked the locals' third set back of the season against one victory. Mr. Clemens having been turned back, 8 to 7 last week.

The initial quarter proved uneventful. The Maples won the toss and elected to kick off with the wind at their backs. A drizzling rain forced both teams to resort to straight football and the only first down for either side came when Collins cut back through left tackle for 18 yards on a fake end run. Patterson, Ferndale back, skirted the Maroon left end for 20 yards as the period ended but the play was called back and Ferndale was given a 5 yard penalty for offside.

The pigskin rested on the half-way stripe as the second quarter opened. Ferndale lost seven yards on two downs as a result of a fumble and then kicked, the oval rolling dead on the Maple 8 yard stripe. Here the Maroons were forced to boot from behind their own goal and as a result of a hurried kick, Ferndale gained possession of the pigskin on the locals' 25 yard line.

Ferndale attempted to hit the line but fumbled and lost five yards. With the Birmingham secondary deep behind it, Patterson heaved a 20 yard spiral straight into Patee's arms and the opposing left end scampered across the goal line for a touchdown. The try for point was unsuccessful.

Second Half

Play was confined within the 20 yard lines during the remainder of the first half. Harrington, the locals' stellar fullback, came into the game late in the second quarter and was severely cut on the leg in his first attempt to carry the ball. The injury required seven stitches and forced his retirement. He will be lost to the team for the next two games.

Following an exchange of punts early in the third quarter, Ferndale gained possession of the pigskin in midfield. A sweeping end run and two off tackle thrusts carried the ball to the Maroon 5 yard line but here the Birmingham forwards held and took over the ball when a pass over the goal line was incomplete.

Clark crashed through the center of Ferndale's line for a first down but a pass, intended for Carey, playing right end for the locals, was intercepted on the Maroon 32 yard line and returned to the 2 yard marker. Two plunges by Ferndale's Captain, D. Allen, carried the ball over for a second touchdown. The try for extra point was successful and the score was: Ferndale 13, Baldwin 0.

In a desperate attempt to turn the tide of battle, the Maple gridders took to the air at the start of the fourth quarter but another intercepted toss stayed off any serious threat until the closing minutes of the game. The gun sounded ending the contest with the Maples in possession of the oval on the Ferndale 10 yard stripe.

Student Chatter

By THE CHATTERBOX

Last Saturday Birmingham was taken by Ferndale by a score of 13 to 0. Our team played good ball even though they lost. Ferndale had an outstanding team. They out weigh our team and play it a good a ball game as any high school could play.

Saturday, Birmingham will play Cranbrook. The game will be played at Cranbrook, and will start at 2:30. There will be no charge for this game, and the team should have the whole city there backing them.

Last Thursday night several of the Baldwin students spent the evening on a hay ride. Some of the fellows really went in for a big evening.

Paul Wayman is really doing very well. I wonder what he has that seems to make it so easy for him.

I don't think Paul has anything on Red Howting. Red is as good a man as you can find in the high school. At least we think so, don't we Jean?

The dance last Saturday was the best this season. Some of the last year big shots were home for the week-end.

Herbert Gardner came to the dance with a cute bimbo from Ann Arbor. The local boys don't do half bad away from home.

Chuck James was also home, which helped to make the place seem like old times.

The good old annual field day went off with a bang last Monday afternoon. The Seniors took the honors, and also handed out the fights. Some of those Juniors, who thought they were pretty smart were given time to cool off.

Peters, and Price spent a good part of the afternoon out near Rochester from what I heard through the boys.

Hoover was lucky in getting a ride home from out yonder. It's too bad they didn't take him out farther. Then the Juniors would of been less trouble for the race loving Seniors.

The school board should make all the Juniors clean up the sweet mess they made in front of school Monday night.

I'll be seeing all you boys and girls at the dance next week to celebrate the victory we pain on copping in the afternoon.

Baldwin Seniors Win Annual Field Day Meet With 69 Points

By taking seven first places out of twelve events and making a total of 69 points, the Baldwin High School Seniors captured the annual Field Day meet held at Pierce Field Monday afternoon. A score of 56 was rolled up by the Juniors for second place, the Sophomores coming in third with 29 points, and the Freshmen fourth with 21 points. A strong friendly rivalry existed throughout the meet, but all the events were carried on in a very orderly manner. Only one team received any demerits, the Sophomores were penalized ten points for failing to line up when the championship relay during the day.

Classes were scheduled to start at 9 o'clock for the meet, but the Seniors failed to show up until 9:30 and with their usual nerve held down Maroon field for their own use. Juniors, Sophomores and Freshmen were all on the field at 9 o'clock. This year there were several boats in the parade that in previous years. A gay boat decorated in red and white was the Senior boat, while the Juniors chose a blue and white decorated cart, drawn by a horse, to represent the colors. Several automobiles decked in the class colors participated in the parade. Streamers were the Sophomore choice, and the outstanding float of the Freshmen was a basketball goal with three daintily dressed girls representing the Seniors, Juniors, and Sophomores, hanging from a cross bar.

Arriving at the field, the Seniors and Freshmen took the Maple stand, and the Juniors and Freshmen took the East one.
