SOUTHERN OAKLAND COUNTY NEEDS THIS MAN

RE-ELECT

The Only Experienced Man Running For This Office . . . He Deserves A Second Term—

CIRCUIT COMMISSIONER

(This Adv. Paid For By Friends)

All Thinking Voters Agree that Real Character, Plus Successful Business Experience Are the important essentials in the man you elect

County Clerk

This is an age of keen competition. You hold your own job, because you are fitted for the work. You must have the experience; be efficient and have the character and temperament to get along with the people you work with and the public.

Former Pontiac Postmaster

JOSEPH (JOE) W. GREENHALGH

Republican Candidate For

COUNTY CLERK

Compare Records Before You Vote

● If you feel he has a background of training, accomplishments, sincerity of purpose, and reputation for fair and honest dealing that will bring credit to the office, then and then only are you requested to cast your vote for Mr. Greenhalgh. He does not ask your vote as a personal favor or upon grounds that have no possible connection with his ability.

● Joseph W. Greenhalgh is the logical choice for County Clerk. He operated his own business for 14 years in Pontiac. Of late successful business men have proven that private business experience can be applied to county offices to save money for taxpayers.

● While Postmaster at Pontiac he installed economies and performed his duties so well that he was given an efficiency rating of 92 by U. S. Government officials. This was one of the highest awarded any Postmaster in the U. S. Bear in mind that Mr. Greenhalgh is a Republican and this rating was given under Democratic administration.

● As hundreds will affirm Joe Greenhalgh holds the respect of the entire community. His private affairs have always been handled in a manner that will not bring criticism or reflect upon the county because of his association with it.

● Joe Greenhalgh believes that the salary of the office is sufficient and is willing to serve his term at the present figure whereas the present clerk made a statement that he voluntarily reduced his own salary but at a later date he demanded from Auditors and was paid the amount of his back salary. (Warrant No. 4608, May 12, 1935.)

● Because Mr. Greenhalgh is a taxpayer he believes that all fees should be paid over to the County. Under the law no compulsion can be brought to bear to force the return of certain fees, marriage license fees for instance. However Joe Greenhalgh pledges that he will make a monthly accounting and turn over to the county ALL FEES. Will other candidates make the same pledge?

● Mr. Greenhalgh pledges to make it his business to look after the duties of the office personally in the same efficient manner his past record shows.
