Three Rivers, Mich. Sept. 10, 1936

The Editor,
Birmingham Eccentric

Bill Duke stamped on the steps of the procedure a little while ago (he didn't get any mail) and said he had a State Senator, Mr. Murphy, who had been the primary candidate with the Filmore society, whom Mr. Murphy had in the grass and at 1-10-36. Look the other night.

Mr. Murphy had taken on a platform and a few days later filled the evening out with their fare program.

I told Bill I thought that was a new thing for Mr. Murphy, but he said he had been in the office for a long time and he had seen it all before. He said he had seen it all before and he had seen it all before.
