ARTISTRY

The oldest of all arts is housekeeping. It started in the cave when whistling winds

Plan now to attend the Birmingham Eccentric Cooking/School to be held at the Community House in Birmingham April 6 and 7. ftarting at 9:30 a.m.

This is your opportunity to obtain first hand information on Modern Gas Cook-

Gas Is Economical

When/you use gas just for cooking you get more heat from a dollar's worth than from a dollar's worth of any other convenient fuel. You can lower cooking costs still further if you use gas for water heating or refrigeration, because you profit/by one of the thrifty Combination

Considered from every angle, it will pay you to cook the smart way . . . , the cheaper, faster, better way . . . with gas and a modern gas range. Select your new gas range today from the up-to-theminute displays at dealers or in our show

... Gas cooks foods faster, better, cheaper! Yes mam!
