JUST as motion picture thedater managers all over the
country are planning to abandon Bank night and lamenting that the custom ever was
started, a radio sponsor is
said to be figuring on a way
to adopt it. Certain legal, or
rather illegal, aspects of the
case have to be ironed out before it can be definitely announced, but present plans
call for the weekly award of
one thousand dollars to some
listener holding the lucky
number. Numbers will be
printed on the package constaining the sponsor's product,
suning the sponsor's product,
the broad will mail them to
