

# Do You Know ALL The Things

The Birmingham Community House is **your** House . . . built for you and supported by **you** . . . If you are one of the few people in Birmingham who do **not** take full advantage of everything the House offers **it is your fun you're missing!**

The House offers recreational, educational and social advantages for every man, woman and child in the city. Everyone is welcome.

While the House is supported by those who enroll each year in the Community House Association, the **use** of the House is not limited to those who have contributed.

The management of the house joins with the Board of Directors in urging every resident of Birmingham to come to the House often . . . to visit it regularly for what **you individually** can best get out of it.

Ideas and suggestions for broadening the services of the House are always welcome. The Board of Directors is already contemplating several new recreational and educational projects which they hope to start this year. These projects are waiting only for the successful completion of the present membership campaign.

The Community House is dedicated to a high ideal of civic service. It is doing highly valuable work in helping to make Birmingham a more friendly, more sociable and more interesting place in which to live.

The work of the Community House simply **must** go on.

## Honor Roll Of Captains And Solicitors For The 1937 Drive

During the week of April 26th these workers will make calls on every residence and business house in Birmingham. They will sacrifice many precious hours to do the hardest kind of work . . . ringing door-bells and asking for contributions. The House is grateful to them for this unselfish work. Let's all help to make their task as easy and pleasant as possible.

### Mesdames—

H. D. Harris  
R. J. Waterbury  
Wm. Howe

## WHAT ORGANIZATIONS AN

The Community House is open to any group of Birmingham residents and their friends who wish to use it. To list all of the organizations and groups who have used the House in the past year would be an impossible task. However, here are a few of the groups who use the house regularly as a meeting place:

American Association of University Women  
Birmingham Muscale

Garden Club  
International Relations Club  
League of Women Voters  
League of Catholic Women  
Red Cross Classes  
Needlework Guild  
Michigan League  
International League for Peace and Freedom  
Birmingham Women's Club  
Oakland County Federation  
Saturday Club
