BIG BEAVER SCHOOL NEWS

Drayton Plains—Maxine Boardway, Waterford—Arlene McCann, Big Beaver—Rima Wilson.

The only oration entered is by Clinton Bohlen of Big Beaver. If there is no other contestant entered Clinton will automatically become the winner. He shall however, be expected to deliver his speech as a part of the contest.

Miss Eva Moore, head of the Speech Department of Royal Oak High School, will act as the single critic judge for the contest.

The Big Beaver 4-H Club exhibited their work at the Troy Presbyterian Church. The other schools entered were Troy Union, Styles, Smith, Colerain, Auburn Heights. Honors won by Big Beaver girls were: Best sewing Barbara James, Betty Wardell, Lucille McDaniel and Viola Papanicolaou; Best paper, Barbara James, Nora Peters and Helen Tucker.

CINDER ARTISTS OF HILLS SCHOOL START PRACTICE

Return Of Lettermen From 1936 Squad Presages Winning Team

With the opening of the track season, Bloomfield Hills school will begin its second year with track as a major sport. Last year the school's first track team earned an unusually good beginning, making second place in the Regional Meet at Ypsilanti, and finishing eighth in the State Meet at Grand Rapids. With all except three of last year's letter men returning and with considerable new material which looks very promising, the thin-clad are looking forward to a very successful season.

The track schedule for 1937 is as follows: April 29, Lincoln School at Ypsilanti; May 3, Cranbrook School at Cranbrook; May 15, Regional Meet at Ypsilanti; May 22, State Meet at East Lansing. The annual Blue and White Meet on June fourth and the regular intramural meet will conclude the spring program.

Clean-Up Planned

With the coming of spring the Elementary School Student Council of the Bloomfield Hills School is promoting a clean-up campaign. The Council will soon have a surprise display in the school corridor and at present is sponsoring a contest among the elementary grades for the best clean-up posters.

Vaughn Thinslads Report

Nineteen boys reported to Coach Carl Wood last week as the

1937 track season at the school on Vaughan Road officially opened Saturday

The following line-up for this year's track team will be as follows: High Hurdles—Gordon Craig, Bradley Higgins, Boy Denick, Dick Flannery; 100 Yard Dash—Dick Sheppard and Art Gibson; One Mile Run—Sam Sawyer, Francis Carrette, Bill Graham; 440 Yard Dash—Garette Deane, and Sam Vetrinari; 200 Yard Hurdles—Gordon Craig, Bradley Higgins, Bob Tyson, Dick Flannery, Leon Sawyer and Francis Carrette; 220 Yard Dash—Dick Sheppard, Leon Sawyer, Arthur Gibson and Sam Vetrinari; 800 Yard Run—Jack Winfield, Hugh Golligly, Bob Hall, and Mike Golligly; Half Mile Relay—Dick Sheppard, Sam Vetrinari and Arthur Gibson; Pole Vault—Junior Moore, Charles Clarke, Gordon Craig and Bob Lewis; Shot Put—Mike Golligly, Bill Bracker and Russell Huff; Broad Jump—Dick Sheppard, Junior Moore, Jack Winfield and Arthur Gibson; 100 Yard Dash—Dick Flannery, Sam Vetrinari and Arthur Gibson; Pole Vault—Junior Moore, Charles Clarke, Gordon Craig and Bob Lewis; Shot Put—Mike Golligly, Bill Bracker and Russell Huff; Broad Jump—Dick Sheppard, Junior Moore, Jack Winfield and Arthur Gibson.

BALDWIN HIGH-LIGHTS

By Ana Nonimus

And how does it seem to you young to be on the last 10 days of the year? Feel mighty sad 'bout it cause it's my last month in the halls of Baldwin, with only 106 or 7 other fellows who was vacation? ... There were doings in our town during those days.

The fact that the weather was a wee bit wettish April 1st, did not dampen the fun of the first longer haul that was around town ... Whole business started and ended in the school playground ... The place looked like a junk heap, at the end ... Why, Annie, Nancy and Jack Birthing ... Betty McLean and Don Moses cut themselves for the spoils ...

Mary Cowap and Tim Walton

Mary Cowap and Tim Walton didn't feel ambitious to positively amble to the movie and blew in afterward, along with Johnny Hart and Hank Waggoner ... Sister Margaret Cowap and Ed Walters were just little ones out strolling in Oakland County hunting for such little things as a worm, a pea pod with not least four peas, a nut in a straw hat, 20 blades of grass in a blue envelope, 1 Amas card, 5 different kinds of soap, a pair of and 2 grey hairpins ...

MAPLE BASEBALL SQUAD COACHED BY E. E. EBERSOLE

Opening Contest Of Season With Orchard Lake Here April 20

By Bud Cox

The Baldwin Baseball team initiated practice last Tuesday after a meeting was called Monday night of all the boys interested. Edgar Ebersole, Science teacher, has taken over the job of coaching this year's squad, and will be assisted by some of last year's lettermen. The schedule for this year is completed with the exception of two open dates to be filled later.

The first game of the season is a home game and will be played at Springdale park Tuesday, April 20th. There will be four more home games during the season and two games with Cranbrook. To date there are four home games and seven games away, but one of the open dates will be filled with a home game. The club is selling season tickets for a dollar which will enable one to see 14 or 15 games at a great saving, by buying a season ticket for just the five home games.

The Baseball team is this year as it was last, a self-supporting organization. The students who play for the sport will have to buy a bit of money as well as furnish their own gloves and some balls, and some bases for the diamond, but the players will have to furnish their own gloves and bats. Last year the club managed to get together about \$100 from donations and the sale of the season tickets. This is an organization that the students of Baldwin High should back and have a chance to back as only half of the games are to be played at home, close to home.

Spring Clean-up Sale

No "double-crossing" here. When we sell you a USED car we tell you exactly what you can expect of it. Our reputation is our greatest asset.

Student Chatter

THE CHATTERBOX

I might as well start this week without any greetings or salutations or what have you. No sir? Yes sir! Why beat around the bush at the beginning? Why not just out and say what I am going to say without insisting the build up? It is usually all nonsense anyhow. Well now that I have said hello, here goes.

Never again must one speak lightly of grass. Whenever you walk on it tread softly and with respect as if you were walking on a grave or a rake. Why am I asking this of you? All his my friends, sounds like a presidential speech, again my friends I say of it. Do you realize that it is now a blade of grass that decided who won the Coronet sweepstakes? Well, I say that one time it was, too! Yes sir! Just one blade of grass. One blade of green grass. Is that not a good reason for thinking of grass respectfully. I might add that grass is far different from butter-buns in the layman's mind, might add that Don Moses like his Biblical ancestor

Student Chatter

THE CHATTERBOX

shall and did make grass an item for history. Nice work Don.

As I was staggering up to school the other morning with two armfuls of school books (I hope one of my teachers reads this) I met a girl that I already knew. She was sort of kinda like (attention Miss McGiffin), down in the mouth until I said her that Uncle Elmer was home and at that she lit out a queer about. Instead of yelling hurra like any natural person would she yelled My-Ray My-Ray. Oh well some folks are funny!

I betcha if I wrote any more the Editor wouldn't put it in; in I won't write any more (then he can not put it in because he won't have to keep out. That is how I lost my last job; not handing stuff in to be sent back. Good bye.

By actual meter test: Here* is what electric cooking costs!

COST OF OPERATING AN ELECTRIC RANGE

Family of 4 \$1.85 per month

This figure is a 4-month's average (October, November, December and January) of actual cooking costs in families of four persons at the rate of 2 1/2 cents (net) per kWh. Special second meters were installed on these customers' ranges to determine actual cooking costs and the figure above—about 1/2-cent a meal a person—is the result. This is the AVERAGE of the cost figures obtained. Some of the actual costs were higher, some were lower. The cost of operating your range will vary with the amount of cooking done, and with the use of retained heat and the waterless cooking method.

These latest figures on the cost of operating an electric range show an average of about ONE-HALF A CENT a meal a person. Actual meter tests were made in homes using electric ranges. The cost figure is obtained under everyday working conditions in ordinary kitchens. The ranges are used by women cooking meals daily for families of three, four and five people or larger. In the survey, 5 well-known makes and 9 different models of electric ranges were included. These tests prove conclusively that electric cooking is not expensive. 10,000 of your neighbors chose electric cooking during the year 1936. SEE THE NEW ELECTRIC RANGES ON DISPLAY AT DEPARTMENT STORES, ELECTRICAL DEALERS, AND THE DETROIT, EDISON COMPANY.
