Garden Unit Exhibit Shows Charming Variety of Christmas Decorations

Every possible way to make Christmas and the holiday period a thing of beauty was demonstrated by members of the Birmingham Unit of the Women's National Fair and Garden Association, at their Christmas meeting, held at the Community House Monday.

Besides seeing and tasting members of the Association and their guests had the added pleasure of hearing a double quartet from the Birmingham Musical, who sang all the favorite Christmas carols, grouped under an old-fashioned street light.

Wrappings Are Unique The first section in the show comprised Christmas wrappings in various past and present styles.

Mantel Arrangements Mrs. Ball placed first in the section for mantel arrangements. She used four tall brass candlesticks and white tapers, flanking an icon of the Madonna.

Another blue ribbon went to Mrs. Clyde L. Hagerman, who utilized a large wreath, flanked the chimney with two black-framed pictures on each side, and centered it with a large wreath.

Greens Are Prominent Mrs. Sam Garber placed first in the section for greens displayed in individual containers. She chose a pottery container, using white berries and greens.

She Novel Fruit Mrs. Albert A. Clark's blue ribbon was awarded for her display of fruit in an old glass dish, with arrangement also featured a dolphin candle-stick and a Victorian glass mirror.

Tables Are Popular The holiday table section comprised the largest and most varied class. Mrs. Spiegle's occasional table, laid with an old red black cloth, brass lamps, gourds and holly, won a blue ribbon.

Miss Mary Kilbane and Carl W. Hauser, both of Cleveland, Ohio, will spend the week-end of New Year's Eve in Birmingham.
