THURSDAY - FRIDAY - SATURDAY 30 AUTOMOBILES 30

Oreing to the Public reception of our sensational 1938. Chrysler Royal and Imperial combined with the truly great Anniversary Plymouth we find our stock increasing daily to a point where lack of space forces us to offer these automobiles at prices never before heard of. In short, these cars must be moved regardless of what we have in them. Most of these automobiles were sold by us and have been serviced in our own shop since new and titles will show them to be original owned merchandise which is a tremendous factor in the purchase of a used car. Come in and see them, drive them and ask for the history of the automobile you are interested in and rest assured you will get plain facts. And if we guarantee the automobile you purchase it will be because that automobile is usualise sour confidence and when that happens, your worries are our worries and don't hesitate to buy one of these cars just because it is a used car for the used car you buy is worth just as much, and no more, than the reputation of the Dealer from whom you purchase the Automobile. Again, we urge you to act quickly and save the difference for your Christmas shopping.
