

Letters to Santa from School Children

(Continued from Page One)
see what you wrote, so I am just sending this first batch of letters along to THE ECCENTRIC, where everybody can enjoy them as much as I did. I know there will be more next week, too, and right along now every week until Christmas. I'll be glad to have all of them, and will try to send you the things you ask for.

I hope you will be thoughtful of other people this time of year, and remember one of the nicest gifts you can offer anyone is to be obliging and willing to do favors.

Now, I've got to pack up if I'm to get to Birmingham by Saturday afternoon, so until then, goodbye.

Will be looking for you all at Pierce and Maple streets at 4 p.m. Your friend,
Santa Claus
