But It's True

ARE PEOPLE LIVING LONGER?
OF ALL THE PEOPLE BORN IN 1901, ONE-QUARTER WERE DEAD AFTER 25 YEARS... BUT IT IS ESTIMATED THAT THEY WILL LIVE 52 YEARS! BEFORE ONE-QUARTER OF THIS YEAR'S CRIP HAS DIED.

WHEN DIVERS REACHED THE H.M.S. MONTAGUE IN THE ENGLISH CHANNEL IN NOVEMBER, 1921, 12 YEARS AFTER IT HAD BEEN SUNK, THEY FOUND A JAVELIN WEDGED IN AN OPEN PORTHOLE. INVESTIGATION REVEALED IT HAD BEEN SHOT OVERBOARD BY HENRY PICKENS, AMERICAN OLYMPIC STAR, AS HE PRACTICED ON WAY TO THE 1924 GAMES. IT WAS RETURNED TO HIM...

MISS DUNTS led her class all through grammar school, every year in high school and every year in teachers college. Her mother, by the way, was Miss Lena Rabbit before she married Joseph Dunts. The remarkable progress in increasing life expectancy is due to marked decrease in the infant mortality rate. But the expectancy for a person of fifty, for instance, is about the same as it was a century ago. That means that science has been able to do practically nothing about curbing the ailments which kill old people.

Some Crust!
Father: "When I was a little boy, I always ate the crusts."
Willie: "Did you like them?"
Father: "Of course, I did!"
Willie: "Then you can have mine."
