Governor Murphy put his finger on the weakness of Mr. Fitzgerald as a candidate for the Republican nomination for governor...

Here is frank intimation that if the Democrats have next year to undertake to defeat Mr. Fitzgerald they will have more to say about Mr. McKay...

The election in the state next year will be for a campaign far different from the one in 1936, when national issues were stressed by the Democrats...

There are few who deny that McKay is a serious liability to the party in the state. In light of this and the evidence that their conviction is well grounded...

One of the encouraging things about scientists is that, as a rule, they do not admit knowing what they do not know...

The foolish destruction of natural resources has been the rule rather than the exception in the United States. The wealth of our soil has been depleted...

There are many people who are afraid to die. They will probably be interested in the views of Abbé Ernest Dimmet, French scholar and author...

It will be interesting reading to some people to learn that the endowment of Harvard University has increased to \$141,941,666...
