North Pole
Dear Santa,

Dear Santa,
This year when you come to my house make your bells jingle harder so you will make me wake up. The one thing you must not do and that is don't come down the chimney so hard that you put the fire out. You had better tie your reindeer to our chimney or they might take off the roof.
All I want this Christmas is a bicyle, I don't forget to leave my dog a bone or he might bite you. My mother wants a new dress. And my sisters, want a doll and a layette. My father wants a new suit of clothes.
Your friend,
BILLY TOOTHACKER.

Dear Santa,
This year I think you will have to come in your reindeer because there isn't enough snow for your rein-deer. This year I would like to have a hockey stick and a puck. My brother won't also like some. We always like to receive my mittens so be sure to bring us some. I would like some skis and some poles for them.

I would like a new movie camera, 16 millimeter, and I guess that's about all I can think of now.
Your friend,
DONALD L. BENSCOTER.

Dear Santa,
I was very glad to get all the things you got me last year. What I want this year is a fountain pen, some ice skates, a watch, and some books. I hope you aren't too big to get down my chimney, there'll be a nice hot lunch and pretty Christmas tree waiting for you.

Dear Santa,
Were you ever a little boy? If you were you will have an idea what they like. Of course if you lived up at the North Pole you probably had a sled. Well I want one too. Here's hoping you come to my house Christmas.
