stately seeking ways to improve the methods of the school system. "More than ever today educators are trying to use scientific knowledge to make for excellent men and women. We no longer desire to depend upon the trial and error method, where so many square pegs get into round holes. And, though I've been in Birmingham but two months, I estimate that about \$40,000 of the amount due on uncollected check assessments will be collected."

Rubish Collection

The City of Birmingham has provided for the furnishing of a rubbish collection service for its citizens. The following schedules will be maintained:

- 1—Collection will be on weekly basis. This may be changed to monthly basis during summer months when there are no ashes.
- 2—South of Maple, East of Woodward—Monday.
- 3—North of Maple, East of Woodward—Tuesday.
- 4—North of Maple, West of Woodward—Wednesday.
- 5—South of Maple, West of Woodward—Thursday.
- 6—Business Section will not be scheduled definitely until later. It is contemplated that collection there will be varied to fit the residential schedule and will provide for maintenance of the alleys in a clean and satisfactory condition.

- The Rubbish must be handled in conformity with the following regulations:
- 1—Ashes will be collected only when they are clean and not mixed with cans or other rubbish.
- 2—All rubbish must be placed in substantial containers of approximately 1 bushel capacity.
- 3—Collections will be from the curb or from the alley where a properly maintained alley is available.
- 4—Combustible material will not be collected from any residential district.

THE COLLECTION OF ASHES ONLY WILL BEGIN IN ACCORDANCE WITH THE ABOVE SCHEDULE MONDAY, DECEMBER 20TH. THE COLLECTION OF TIN CANS AND BOTTLES WILL BEGIN JANUARY 10TH, 1938.

next year, promising twenty pieces of action. The grid season is not determined by the number of games won and lost, but rather by the mental and physical progress the boys have made. Howard D. Crull, superintendent of the Birmingham schools, is the team's most happy to see the games as best it could, and as well as the students can expect, he is a good season. Crull added, "I believe the season that has just ended was a very successful one, and an exciting forward to the next year's games."
