IT'S A HONEY - DON'T MISS IT

# Cook Faster With Gas!

Not only are the new gas ranges most beautiful but underneath their outward beauty are many new features of design, which make it possible for you to cook faster, with less attention, and yet with perfect results every time.

Many new features include, oven heat control. automatic top lighting, insulated ovens, roll out broiler, non clog burners,

So that you may try one of these new ranges in your own home we will install an A-B, or Detroit Jewel model without any obligation whatsoever. After you try the range to your utmost satisfaction, then if you wish to keep it—you can pay for it as little as 10c a day. Take advantage of this free offer today Just call 8151.
