Happenings of Long Ago

Bits of News Gleaned From Old Files Of The Eccentric—The Items That Make Up The Historical Background Of The Birmingham Of Today.

FIFTY YEARS AGO Heavy snow storm all day Sunday. Did you ever see such winter weather?

Tobogganing on natural slide is the favorite pastime of our younger people. Schuyler Aidsley had his right arm taken off in a factory at Grand Rapids the other day.

It was 17 degrees below zero by Samuel Alexander's wife, freighting thermometer on Friday evening last. Only five cents for a shave and ten cents for a dandy hair cut.

Only five cents for a shave and ten cents for a dandy hair cut. The result of a run in prices between rival shops. We are glad to hear that Miss Nora Chatfield is on the go.

It is expected that the young people of the surrounding country will form sleigh-riding parties and take in the hop at National hall next Saturday evening.

Owing to an oversight of hay in Stanley a lively building "spread itself" one day last week and now John avers that a new and elegant barn shall rise from the wreck in the near future.

Stephen Kelley, a former resident of Franklin and once a rattling live correspondent of this great literary engine was in town last week looking up old friends and acquaintances.

TWENTY-FIVE YEARS AGO

A masquerade party will be given by the Misses Peck at the Johnson-Shaw hall, Wednesday evening at 8 o'clock, January 17.

Hiram Daniels and wife, have gone South, and will take up Sherman's march to the Sea. Their tickets are good until June 1st, and not doubt they will crowd the limit.

A little tale to tell of it but over on Oak Grove subdivision Mr. and Mrs. H. C. Shepherd are rejoicing over the safe arrival of the fourth little girl lamb gathered in by this same Shepherd on Saturday Dec. 20.

Zero weather, hot, better or worse as the case may be judged, has been with us now over ten days, and say it cold. With good sleighing on an snow a foot deep, the wind cutting clear a caper and the quick silver clear down in the bulb, it is only a question of shoveling in coal and carrying out ashes for just a bare existence.

It is a pity that the young male of the species is more deadly than the male. In a letter from a real picture of a Deserated Village after 7 o'clock now? Wouldn't it be splendid to have a Reading Room and a Gym open to our young people?

Now, if ever, is the time we need it. Let us dream any longer but Act. We know if our business people would push this idea a little the out-side money waiting for the project, the young men and boys of our village need this town badly now especially since the school close early and the hotel and pool rooms are the avenues of least resistance.

FIVE YEARS AGO

Derwood Harris and Carolyn Salisbury made honor students of January graduating class at Baldwin High School. Proposed budget for village for 1932 to be offered to Commission next Monday night. Thirty percent cut in operating costs to be considered.
