MOSQUITO BITES
 By Scratch

Well it sure is good to get back to the old homestead again and it's a great relief to find everything as was... But everybody I've met is either going, has gone or is away now... Birmingham youth is always on the go... And the destinations of a few of them is as follows... Marion Kirk, Doree Franklin and Shirli Smith are off for Camp Sherwood Sunday... In case you don't know, Sherwood is the hideout of good little girls who have lots of time on their hands... Well, all I've got to say is that I hope you have a good time and don't get into too much trouble... Then Harold Holden (Buth Navin's devoted sister) is going to Texas for the summer months with his parents... Incidentally I bet B'm'm will be a pretty good pilot when he gets out while Rossie (Harold's) is away... John Rosso is now peeling potatoes to while his time at Camp Brady... That's a place where good boys go to be bad and bad boys go to be good... After inquiring about my B'm'm friend Carlsman I discovered she was in Louthaven, Mich... Nan Plumstead, Loretta Hall, and a place where good boys go to be bad and bad boys go to be good... And so all someone comes back and does something bad for me to write about I'll take my leave... 43*
