Birmingham's New Apartment

(Next to the Community House)

Now Birmingham has a modern apartment building . . . with the charm and distinction of colonial architecture! . . . The lobby and every breakfast nook is panelled in knotty pine . . . all hardware and electrical fixtures are in true colonial style . . . the utmost care and taste has been given to the selection of every detail . . . Each suite of the Suburban Apartments has all the coziness and homelike atmosphere of a Cape Cod cottage . . . coupled with the modern comfort and convenience of a Park Avenue Penthouse . . . You will find all electric kitchens, with extravagant cupboard space and gay linoleums . . . Truly an epochal step in the growth of the city . . . You are invited to inspect this new building—look at any of the four-room suites . . . They are open for inspection Sunday, June 27, and Sunday, July 4th . . . Should you desire information about rentals call Suburban Homes, Inc., Birmingham 2896.—We suggest you act promptly as many of the suites have been leased.

Open the Next Two Sundays
