Meet Old Friends

THROUGH

This Newspaper

For More Than Half A Century Birmingham Folks Have Been Meeting Old Friends And Making New Ones Through The Columns Of The Birmingham Eccentric.

Each week subscribers read of the activities of many people, whose names are mentioned in these columns—Some of them your neighbors and close friends. Others are well known by reputation through reading about them in this newspaper. "Humanity makes news." Our correspondents and news gathering facilities bring to you practically all the news concerning the people of this community.

The Eccentric is a welcome visitor in thousands of homes. It pushes no doorbell to gain entry; it brings no sigh from the busy housewife: "Well, there is another agent." It is no handbill cluttering up automobiles, nor blowing around from dooryard to dooryard. It is not a mailed circular that attracts only passing attention and is thrown aside. No husband coming in from his day's work sits down and asks his wife: "Where is the latest circular?" but hundreds of them ask, "Where is the Eccentric?"

That is the clientele Merchants reach when they use the Eccentric for advertising purposes. It is a clientele that is responsive to merchandising messages well told and backed by competitive price.
