QUESTION: With Touch Control? So what?

ANSWER: Now anyone can type faster—easier than writing by hand!

QUESTION: How's that?

ANSWER: Merely move a tiny lever—instantly the key-tension is adjusted to your exact finger pressure.

QUESTION: Sounds good, but is that so important?

ANSWER: Yes! With Touch Control, the New Royal Portable becomes everyone's personal typewriter.

Standard in keyboard and action. Many exclusive improvements in addition to Touch Control. Actually easier than writing by hand! Costs only a few cents a day.
