BACK FENCING

By A MAN ABOUT TOWN

We have been informed by a number of local people that they had set their alarm clocks for an early appointment with their radios so that they might hear the Coronation Ceremonies as they were broadcast from England.

Walter Raychel attended the Coronation of the Queen last week. The Blossom Queen, at the Blossom Festival which the cities of Benton Harbor and St. Joseph put on at the Twin Cities.

Green remarked the other day, after having been informed by "D. A." of his schedule of nights out and golf, "I guess I'll have to take a peek at the little black date book so I'll know when I can expect to have my husband around for bridge, etc."

Our Birmingham police department have a great number of strange stories to report, but last week the prize one turned up. Some one from over on Hazal Street called and reported that someone had stolen two pairs of silken articles, commonly known as panties, from their clothes line.

From a conversation which we had with Tex Johnson, the local Baptist minister, we believe he would like to have some one take him down to a ball game at Navin Field.

Local Service Club members have designated Thursdays as Golf Days at North Hills course of Oakland Hills, and have arranged with the management for a reduced rate for those days throughout the summer.

AND speaking of GOLF... we wonder who gets the most fun and benefit out of their golf, the fellow who plays his head off to win, or the fellow who goes out for the companionship of his fellows and the good old warm sunshine on his back.

Mr. and Mrs. Sidney Wells, of Mohegan drive will have their guests for the week-end, Mary Kilcane and Carl Hauser, both of Cleveland, Ohio.

Mr. and Mrs. Morrison J. Taylor, of Euclid Avenue, entertained at a bridge party Monday evening at the home of Mrs. Taylor's parents, on Cranbrook Road.

Doris Otter entertained thirty members of the Junior board of Williams House Tuesday, at the home of her parents, Mr. and Mrs. Clarence E. Otter, of North Woodward Avenue.
