WITH SAFE SILVERTOWNS -The Only Tire That Gives You

Golden Ply Blow-Out Protection

IT'S NO time to gamble when you're sitting behind the wheel of your car. With human lives at stake, it's mighty risky to "bluff" with tires that aren't constructed to give you raky to "bulm" with trees that aren't constructed to give you and your family real blow-out protection. Sooner or later you're bound to lose—and when you do, you may have to settle up far plenty.

That's why we say, "Come in now and let us equip your car with Goodrich Safety Silvertowns." Because no other

vertowns." Because no other tire will give you the marvelous protection of the Life-Saver Golden Ply—a layer of special rubber and full-floating cords, scientifically treated to resist the terrific blowout-causing the protection of the protection heat generated inside all tire by today's high speeds.

Play safe. Silvertowns actually cost much less than other super-quality tires

VACATIONISTS BRING MONEY but what brings vacationists?

a sure answer-

ROADS

No matter what they like when they get there, vacationists never enjoy "roughing it" on the way. Of two attractive favorite kind of road-concrete

Isrorice kind of road—concrete.

Frerphody profits—directly or indirectly—from tourist trade. And everybody profits directly from concrete.

Concrete highways are always ready for travel. They cost less than other pavements of equal load-strength. Save a big share of road maintenance funds, Save on car operating costs. Reap these benefits—pave with concrete.
