When They Graduate

When the tassel of the mortar-board is shifted from one side to the other, things are then almost over for the graduate. It is the climax of the many occasions which have led up to graduation. Shortly after comes the normal let-down . . . and time for reflection!

Be certain that the gift you give to that graduating friend of yours will be remembered kindly. Make it a worthwhile gift, the kind of lasting gift, which will bring genuine pleasure long after the occasion slips into memory.

Graduation gifts chosen at LaBelles are like that!
